

Dear Sir or Madam,

Statement of the item GmbH on the use of „conflict minerals“ in our products, referring to the „Dodd-Frank Act“, Section 1502.

The Dodd-Frank Act, Title XV, refers to the material tin, tantalum, tungsten, columbite, gold, and their derivatives, mined in the crisis region Democratic Republic of Congo and neighboring countries.

The U.S. federal law supports the stop of the trade of these minerals, if originating in these crisis areas.

The item GmbH is aware of its social responsibility with regard to the environment, security and international law of the business.

In order to support a fair, peaceful and sustainable use of our products, we ask you to send us the ordered product-part-list, then we are able to verify the conformity of these products to the Dodd-Frank-act.

Best regards

item Industrietechnik GmbH
